

CARTA DELLA VEGETAZIONE DELLA RISERVA NATURALE REGIONALE "SENTINA"

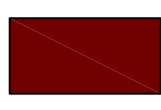

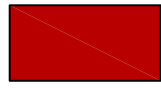

Emanuela Formica

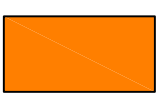

Legenda:

Vegetazione psammofila

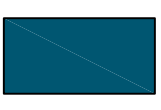

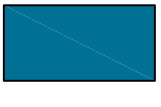

-  *Salsolo kali-Cakiletum maritimae* Costa & Manz. 1981 *xanthetosum italicum* Géhu et al. 1984
-  *Echinophoro spinosae-Elymetum farcti* Géhu 1988
-  Aggr. a *Spartina juncea* (*Elymo farcti-Spartinetum juncae* Vagge & Biondi 1999)

Vegetazione dei terreni salati retrodunali

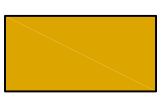

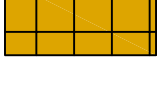

-  *Suaedo maritimae-Salicornietum patulae* (Brullo & Furnari 1976)
-  *Suaedo maritimae-Salicornietum patulae* (Brullo & Furnari 1976) *Halimion portulacoidis-Suaedum verae* (Br.-Bl. 1952) Mol. & Tall.1969
-  *Halimion portulacoidis-Suaedum verae* (Br.-Bl. 1952)Mol. & Tall.1969 *Salsolium sodae* Pign. 1953
-  Aggr. ad *Halimione portulacoidis e Puccinella distans*
-  Aggr. a *Inula crithmoides*

-  Prateria postculturale ad *Aster tripolium* e *Atriplex latifolia*
-  Aggr. a *Spergularia marina*
-  Stazzo

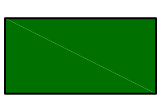

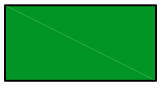

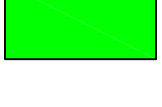

Vegetazione igrofila ripariale, delle depressioni salmastre e delle acque salmastre

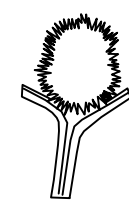

-  *Chaetomorpha-Ruppium* Br.-Bl. 1952
-  *Scirpetum compacto-litoralis* Riv.-Mart. Et al.1980
-  *Phragmitetum australis* (All.1921) Pign. 1953
-  *Salicetum albae* Issl. 1926
-  Aggr. a *Populus alba*

Vegetazione dei coltivi abbandonati

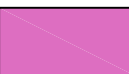

-  Aggr. a *Agropyron repens* (*Inula viscosae-Agropyron repentis* Biondi & Allegrezza 1996) *Glycyrrhiza glabrae-Elytrigetum athericae* Pirone & Tanamaro 1981
-  Stazzo

Elementi diffusi del paesaggio

-  Arbusteti a *Rubus* sp.
-  Canneti ad *Arundo donax*
-  Arbusteti e filari a *Tamarix gallica*
-  Aggr. a *Robinia pseudo-acacia*
-  Aggr. ad *Ailanthus altissima*

Aggr. a *Datura stramonium*

Siepi (*Atriplex latifolia*, *Rubus* sp.)

Esemplari isolati o in gruppi di *Ficus carica*, *Ulmus minor*, *Populus alba*, *Salix alba*, *Eucalyptus*

Ficus carica

Ulmus minor

Populus alba

Salix alba

Eucalyptus

Vegetazione ornamentale

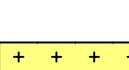

(specie presenti: *Eucalyptus*, *Pinus halepensis*, *Laurus nobilis*, *Ailanthus altissima*, *Robinia pseudo-acacia*, *Pittosporum tobira*, *Thuja orientalis*, *Acer campestre*, *Quercus ilex*, *Cupressus sempervirens*)

Campi
